Rowel Manasan

Dear Friend,

In this new economy, I realize that individuals and business owners are suffering out there. I feel their pains. Unfortunately, we tend to shortcut necessary expenses in order to save money for the short term. While saving money is definitely a good thing, a lawsuit, a divorce, a bad contract, or an immigration issue can devastate your ability to make money. And if you are a legitimate business, you will almost certainly find yourself in court having to deal with a legal issue at some point in your life. Protecting yourself against these potential problems is key to surviving in this new economy.

Even if you don't have a business, you probably have encountered a situation where you wish you had a lawyer's opinion about your "small case." May be you bought a timeshare and realized that it wasn't the best buy and you want out. May be you had a dispute with a credit card company over a certain bill and want the harassment to stop. May be you were denied medical insurance coverage, but you didn't fight the case because you didn't know how to. May be you wanted to call an attorney just for a quick question, but were afraid they would charge hundreds of dollars for a consultation and a few hundred more just to write a letter for you. May be all you want is an attorney that you can trust that knows you.

Well, that's why I'm writing you this letter. I believe every person should have access to a lawyer they trust. The law applies to EVERYONE, yet not everyone receives a fair shake when it comes to resolving their legal issues. This is where the Manasan Law Group PC steps in. We offer innovative Membership Programs to help you with your legal needs at costs you can afford. Act now and you will receive a discount on our customizable Family or Business Legal Protection Membership program.

What this means to you is that you will receive peace of mind knowing that you have a trusted legal advisor who will be there for you when you need it most. You will be empowered to fight for rights that you didn't even know you had. It's like having your own personal lawyer in the family.

You can receive all this for as little as **\$395 for the whole year** if you call in and sign up for the Family VIP Membership Program. But hurry. Space is limited. In order to insure the best possible service for our VIP members, we are **limiting enrollment to the first 50 people that sign up**. Call my office at 909-348-7657 and secure your peace of mind today.

I look forward to seeing you again!
